## GENERAL SECRETARY'S RANTS AND RAVES.

Another match was abandoned this Sunday due to fighting and aggressive behaviour by players. It seems that the message is still not getting through to players that this is totally unacceptable. Once again all Secretaries are ordered to get control of their players and put a stop to it. Be warned that we will not have this League brought into disrepute and the Management Committee will even consider disbanding the League if the trend of violent and aggressive behaviour continues.
