No fines this week. For the second week running all results were phoned in on time. Excellent. Keep it up and make it a hat trick next week.

### ADDITIONAL FIXTURE FOR SUNDAY 20-Sep-2009

SENIOR LEAGUE CUP GROUP A Avenue v Rio Church Street Recreation Ground Pitch 1.

### GENERAL SECRETARY'S RANTS AND REMINDERS.

Some old favourites are back again and all are very important.

1. Clubs are reminded that all changing rooms must be vacated by 1.00 p.m. This is part of the terms of pitch hire with Enfield Council and must be complied with. Clubs should note the word "changing" which means in plain english removing football kit and dressing in normal attire. They are not meeting rooms for after match discussions. Ballers in particular please note.

2. Ground staff employed by Enfield Council should be treated with respect and not abused in any form what so ever. They have the right to do their job and provide a service to this League without such treatment. Again Ballers please note.

Failure to comply with either of the above could result in the Council withdrawing pitch hire to offending clubs and this League will enforce that decision. No pitch will mean no matches and no membership of this League.

3. Firs Farm car parking comes to the forefront after this Sunday as an ambulance was called to attend an injury on pitch 1. It took extra time for it to reach the pitch due to the line of cars parked on the driveway. Those minutes could have been fatal if the injury was life threatening. All secretaries are instructed to convey to their players the importance of parking sensibly and not to park on the drive or in front of the ambulance access gate to the pitches.

4. Next a quotation F.A. rule 9a Page 23 of the Handbook "No player, **including the goalkeeper**, shall be permitted to wear black or very dark shirts". This is not the Premier League and such kits are not allowed. Also if a club wishes to change its colours they must inform the League before they are worn on the pitch. Moray Arms please note.
