## GENERAL SECRETARY'S PRAISE, RANTS AND REMINDERS.

As you will note the title has changed this week. The Financial Secretary is a happy man as for the 2nd month running all clubs settled their invoices on time. In view of this a big well done to you all and lets continue this way to the end of the season. Also it has been noted in the last two weeks that car parking has improved at Firs Farm. Keep reminding your members to park sensibly and all will be well. Don't forget the litter problem either.

Now some reminders. Don't forget to copy your correctly completed match cards before posting them to the Registration Secretary. If you have the facilities you may also scan the card and email that to the General Secretary as proof of posting. Do not use Registered or Recorded Mail to send anything to the Registration Secretary. His patience and shoe leather is wearing thin.

Clubs are reminded to use the changing rooms and not change on the touchline. Whilst players may think their physique is wonderful the general public may not. This is a Council bye law and part of the pitch hire agreement so it must be obeyed.

Keep doing things right and we may be able to amend the title again and lose the rants.

## CIRCULAR DISTRIBUTION AND THE POST.

This week the circular has been distributed electronically to all those clubs and members that have given us an email address and confirmed their acceptance. Clubs not on the list are Attitude, Ballers, Boundary, Mardan, Skyline, The Bull and Village United and they are asked to obtain the circular from the web site. Norfolk Old Boys and Solar Way have email addresses but have not yet confirmed that they have received circular 8 as promised. Their circulars have been emailed. Please confirm receipt this time. As stated at the League Council any number of addresses may be added to the circulation and if you wish to do so please email the General Secretary with the request. It would appear that the Royal Mail workers are escalating their action and the post will become even more unreliable so it would be good to get all clubs on the circulation list. Also remember to visit the web site as circulars are all there along with lots of other good things. Any club that cannot obtain the circular from the web site or via email are asked to contact the General Secretary.

**Management Committee.** The future of Tommys Bar will be determined on 21st October 2009.
